In fact, Maggie had a lemonade stand set up outside of Macy's in the Huntington Mall on Saturday, August 11, 2018 from noon to 5 p.m. Maggie was also presented with a check by Macy's to jumpstart her fundraising.

4040-P APPROVAL OF TWO SCHOOL PSYCHOLOGY INTERNS THROUGH MARSHALL UNIVERSITY

The Superintendent recommends approval of two school psychology interns through Marshall University who will be working alongside a school psychologist in our schools. These students are in the final phase of obtaining their degree and are doing a paid internship. They each will be paid \$25,000.00 for the entire year with **no benefits**. Their salaries will be paid from state and federal money set aside that can only be spent on special education. The money cannot be used for any existing project or services that we are currently paying. It is to be used to enhance but not replace. They also will be an asset to our district in working with students that are impacted by trauma and need assistance in how to deal appropriately with their feelings. A background check has been completed. The interns are:
