

Pam Sullivan

Ona Elementary School

Employee of the Month April 2024

It is with great pleasure and enthusiasm that we announce Pam Sullivan as our April Employee of the Month. Pam's kindness, compassion, and commitment to our school, students, and staff make her a shining example of excellence at Ona Elementary. With six years as a full-time teacher, twelve years as a long-term substitute at Ona, and extensive service as a substitute teacher for Cabell County, Pam has been an invaluable member of our school and community.

Pam has a BA in elementary education from Marshall University, and is a member of the Milton Community. She is married to David, with two kids, Jason and Kate. Their family also includes two dogs, Moose and Jake. Outside of school, Pam enjoys reading, cooking, attending Marshall University basketball game, and spending time with her family and dogs.

Pam's favorite aspects of working at Ona Elementary include the wonderful students and supportive staff. She values the way everyone works together to help each other out. Pam's dedication to school and community, combined with her warm and caring demeanor, makes her an exceptional colleague. We are fortunate to have Pam as a part of our Ona Elementary School family.

"Kindness is a Gift Everyone Can Afford to Give"
-Unattributed

Join us in celebrating Pam Sullivan as Employee of the Month!
