

Beth Kuhn

Ona Elementary School
Employee of the Month February 2024

It is with great pleasure and enthusiasm that we announce Beth Kuhn as our February Employee of the Month. Beth's dedication, passion, and commitment to our school and community make her a shining example of excellence at Ona Elementary. Beth Kuhn is originally from Cedarville, Ohio, but has become an integral part of the Ona community since she moved here. With six years of substitute experience and seven years as a Kindergarten ECCAT in Cabell County Schools, Beth has left an indelible mark on the lives of countless students.

Her educational journey began at Cedarville College, where she earned her Bachelor's degree in English. For the past five years, Beth has been a cherished member of the Ona Elementary School family. Her dedication to the students and her genuine care for their well-being are evident in every interaction.

Outside of school, Beth enjoys reading, exploring the outdoors with hikes, and cherishing precious moments with her family. Beth is married to Steve, and together they have four grown children: Megan, Michael, John, and Emily, and one grandchild.

One of Beth's favorite aspects of working at Ona Elementary is the collaborative and supportive environment. She values the way everyone works together to help each other out. Beth's dedication to education, combined with her warm and caring demeanor, makes her an exceptional colleague. We are fortunate to have Beth as a part of our Ona Elementary School family.
