

Rhonda Woodrum

Ona Elementary School

Employee of the Month November 2023

The staff at Ona Elementary celebrates Rhonda Woodrum by nominating her as the November employee of the month! Rhonda is the head cook at Ona, this is her second year working at our school. Rhonda is exceptionally experienced, and has been recognized for her hard work and dedication. She worked at Bob Evans for 23 years, and served as assistant manager for seven of those years. She has been recognized as being in the top five candidates for the Service Personnel of the year for Cabell County Schools, and has worked with the farm to schools initiative along side the food service director in getting green houses set up and running, and growing plants to get the project started.

Rhonda is married to Tony, and together, they have four children: Lance, Brandon, Sharonna, and Brooklyn, and six grandchildren. Their family also includes their two dogs, Beau and Layla, and two cats, Yoyo and Igit. Rhonda enjoys camping, riding side-by-sides, reading, farming, and spending time with friends and family, and shares that she plans to retire in January of 2025.

She says favorite thing about working at Ona is that everyone works together as a team and is very friendly. She shares a message of thanks, saying “ thanks to everyone that works here for making me feel so welcome, and how we all work for the good of the kiddos!” The staff at Ona feels thankful for the work Rhonda in bringing excellence to our food service program, and we thank her for her hard work by nominating her as employee of the month!

“Fair, firm, and consistent in all things”
