COVID SYMPTOMS

Cough, Sore Throat, Fever, Shortness of Breath, Lost of Taste or Smell

RECOMMEND TESTING IMMEDIATELY

Home Tests, Rapid Tests, and PCR Tests are all considered valid options with equal reliability

Negative COVID Test Result

You may return to school immediately if you test negative for COVID.

Positive COVID Test Result

Automatic 5 day quarantine period . If cough, sore throat, loss of taste or smell, and/or shortness of breath have ___improved___ AND you have not had a FEVER for 24 hours, student can return to school on day 6. Day 0 is the first day of symptoms.

NO TEST Option

If student has documentation from a physician that states their symptoms are not related to COVID, then they may return to school immediately. The guidelines for a postive case, which includes an automatic 5 day quarantine, must be followed without a physician's note that states the symptoms aren't covid related.
