

FREE Weekend Food for Your Child/Children Available!

Milton Middle School participates in the Weekend Backpack Program to offer a supply of nutritious meals and snacks for children over the weekend, free of charge if you are struggling to meet your family's food needs and would benefit from receiving additional food. A staff member will discreetly distribute weekend bags on the last school day before the weekend. Any child enrolled at Milton Middle School can receive these weekly bags of food. The program will begin the week September 2, 2024, with the first bag of food being placed in your child's locker on September 6, 2024. If your family is enrolled, your child/children will receive a bag of food each week until the end of the school year or until you no longer wish to participate.

If you feel that your child/children would benefit from receiving additional food to meet their nutritional needs over the weekend, we encourage you to sign them up by filling the form out below. Enrolment in the Weekend Backpack Program is ongoing. Please send this form back to Milton Middle addressed to Lora Harkins if you are interested. Only one form is needed for all the children in your family but include information for each child on the form below. If you have a child or children who attend other public schools in Cabell County, please include that information below. This information will be kept confidential between you, Lora Harkins, and the office staff at the Milton Middle School.

Weekend Backpack Program Consent Form

Please sign my child/children up for the Weekend Food program! I understand my child/children will soon start receiving a bag of food at the end of each week to help feed him/her over the weekend.
