# School Bus Safety

## ELEMENTARY

Please select and view one of the videos to the right. Both are excellent resources for teaching appropriate behavior while riding the school bus. Use the other video during School Bus Safety Week, October 19 - 23 to reinforce appropriate school bus behavior.

## SECONDARY

Please select the video directly to the right to assist in teaching appropriate behavior while riding the school bus.

# Emergency Bus Evacuation Drill

## Elementary Schools

**Tuesday, October 20, 2015**

*Rain Date – Thursday, October 22, 2015*

## Secondary Schools

**Wednesday, October 21, 2015**

*Rain Date – Friday, October 23, 2015*

Please have staff on duty to assist the drivers with these drills on the designated morning. Although this activity is designed to protect our children in an emergency situation, there are inherent risks associated with the activity itself. It is important that we have help during the procedure to minimize the risk to each student. Thank you in advance for your cooperation.

Click on the link below to preview Emergency Evacuation Procedures. It would be most helpful if students viewed this video prior to our Evacuation Drill scheduled for next week.
