

To the Parent(s)/Guardians of \_\_\_\_\_ Date \_\_\_\_\_

It is time to evaluate the progress your child has made this year and to begin the planning process for next year. Your input is **very important** in developing a plan that is right for your child. Using your responses and information from the child, and his/her teachers a rough draft of the IEP will be created for use as a basis for discussion at the IEP meeting. You will receive a copy of the draft to review prior to the meeting.

Please complete this information sheet and return it to \_\_\_\_\_ by \_\_\_\_\_.  
If you need additional space, feel free to attach another sheet of paper. Thank you!
